

INTERGOVERNMENTAL OCEANOGRAPHIC COMMISSION OF UNESCO (IOC)

hereby certifies that

Jaismine Kaur

successfully completed the 20-hour online training course

MSPglobal Online Training Course (ENGLISH)

organized by the UNESCO-IOC Marine Policy and Regional Coordination Section
and the UNESCO-IOC Project Office for IODE

Certificate No. gMVH5v1ZpU

7 April 2025

Course Learning Outcomes

- *Identify and understand the global definition of MSP, its elements, benefits and role within ocean governance.*
- *Apply the MSP principles and approach within daily marine management operations, in alignment with UNESCO-IOC's guidelines such as the MSPglobal International Guide on Marine/Maritime Spatial Planning*
- *Use tools and techniques that are relevant for MSP practitioners, including practicing stakeholder engagement, assessment for MSP and use of marine plans in decision making.*

Julian BARBIERE
